Teqler

PRACTICAL, FUNCTIONAL, ECONOMICAL

For more than 10 years now, we have been working in the development, design and production of medical products. Everyday at our headquarters in Luxembourg, we work together with employees with a medical background, product managers and designers on developing new products and improving existing products. Teqler products are produced in multiple locations around the world.

We follow the principle of concentrating on our own strengths and working efficiently through slim structures. Therefore, we exclusively focus on developing and producing medical products and cooperate with renowned retailers throughout Europe, North Africa and the Arabian Peninsula. With highly modern logistics in the heart of Europe, we guarantee high availability and quick delivery.
