SWIVEL STOOL WITH BACK SUPPORT

The swivel stool with back support offers excellent seating comfort, thanks to its generously padded backrest and seat upholstery. The medical stool allows for individual height adjustment via gas pressure spring. Its robust imitation leather cover is easy to wash and disinfect, making it suitable for sensitive areas.

PRODUCT DETAILS:

- Swivel stool with back support
- Medical stool with comfortable upholstery
- Softly padded seat and backrest
- Easy-care imitation leather cover
- Can be washed and disinfected
- Chrome-plated base
- Height adjustable from 48 - 65 cm
- Ø seat approx. 38 cm
- Maximum load capacity: 110 kg
- Various colours available

from 89,25 €

SADDLE STOOL

The high-quality Teqler saddle stool allows optimal weight distribution on both halves of the seat. Thanks to the spring suspension of the seat and the various adjustment options, the stool supports healthy sitting - even on long working days. Available in different colors.

PRODUCT DETAILS:

- 2-piece seat in saddle shape, spring-mounted
- Infinitely variable height adjustment with gas pressure spring from 58 - 80 cm (ideal as a standing aid)
- Supports a healthy, upright sitting posture
- Chrome-plated base (diameter: 57 cm)
- Seat surface adjustable in height and angle
- Seat surface: 43 x 37 cm
- 5 double castors
- Imitation leather cover in the colors blue, red, orange, black or white
- 1 piece
